

ABOUT AMY'S PLAYGROUND

Owned and operated by South Pasadena mom Amy Shachory, **Amy's Playground** is a haven for kids and parents alike.

- When it's hot outside, **Amy's Playground** is cool – our large facility is air-conditioned and we have cold drinks in the fridge for purchase
- When it's raining, **Amy's Playground** is dry – our play equipment and picnic area are enclosed in a 3,000-square-foot facility that provides plenty of room to run and jump on rainy days
- When you have somewhere to go after your child plays, **Amy's Playground** is carpeted and clean – we're a shoe-less environment and each guest must wear socks, so everyone leaves as clean as they arrive!
- When you have a pre-walker, **Amy's Playground** has a place just for babies and toddlers – we have a separate play area for our smallest guests, enclosed by soft walls and featuring activity windows; we also have a changing table in our bathroom
- Amy's Playground** is secure – each child must be accompanied by an adult and the flow of traffic in and out of the facility is monitored closely

- Amy's Playground** is comfortable – we have clean bathrooms, soft couches, picnic tables and a bring-your-own-food policy (though you can also buy snacks and drinks at our store)
- Amy's Playground** values grown-ups as much as kids – we offer complimentary coffee and a small reading library, and have a fabulous boutique, perfect for selecting last-minute gifts and cards while your kids play
- When your child's birthday is just around the corner, **Amy's Playground** throws great parties – check out the "parties" link and call us to arrange everything.

COME PLAY WITH US!
