

## TESTIMONIALS ABOUT AMY'S PLAYGROUND

Dear Amy,

*I just wanted to thank you and all of your staff for making Freddie's 2nd birthday party so special last weekend. You couldn't have made it easier for us and I was so impressed with the way everything was handled on every level. In particular, I'd like to thank Sophia and the other party assistant for looking after us on the day. She was so friendly and helpful and did a great job in keeping the party moving along. Freddie had a wonderful time and I know he can't wait to come back!*

*Kind regards

Amy,

*My son Riley celebrated his 2nd birthday at your playground on October 30th. He had a fantastic time, as did all of his little friends and their parents. You and your employees make it almost effortless to throw a party. I want to particularly thank our two party helpers from that day. These two young women took care of everything, were unobtrusive, and also took time to play with many of the children. They did a wonderful job!*

*Thank you,

Amy,

*I must take the time to thank you and your staff for providing such excellent service. I appreciate your professionalism and true commitment to assisting us host our sons' birthday party. Our guests commented on what a wonderful place it was and I am confident that it will bring you more customers. Thank you so much. The birthday party was a success and I am very pleased.*

Amy,

*I hope that you had a wonderful vacation. Katie's party was fantastic thanks to the staff of Amy's Playground. We booked the site based upon aesthetics but your detail to service was amazing and that's what made the party such a success. The ladies took care of every detail so that my husband and I were able to really enjoy the party and visit with our guests. Erin was so helpful. She went above and beyond by playing French music to go with our "Pink Poodles in Paris" theme.*

*I'm excited to report that one mom booked her son's party while the girls were eating their pizza. I also bought an adorable hand bag for myself.*

*We had such a good time. Thank you for making Katie's party such a memorable one!*

Dear Amy,

*We celebrated our son, Kobe's 3rd birthday on Sunday, May 7th. I just wanted to say thank you for a wonderful party. Sofia and Ivania were so helpful and sweet. Your playground is so much fun and clean. We appreciate the attention to detail that you and your staff have. My husband and I were so pleased with how smoothly the party went. Most importantly, the kids (and parents) had a wonderful time.*

*Thanks again for wonderful time,

Hi Amy,

*I just wanted to praise a young woman on your staff. I believe she said her name was Megan, but my baby was crying in my ear at the time so I can't be sure. :)*

*At any rate, she's tall and blond. I have visited for the past 2 Thursdays with my 2 1/2 year old twin girls and my 4 month old baby. Megan helped me both times with real grace and simplicity, which I very much appreciated. Megan seems too young to have kids of her own, but she seems to have a real knack for seeing quickly what needs to be done and doing it without being too intrusive towards the kids - a wonderful quality. I can attest to how rare that is, after having both gone through and witnessed so many different types of babysitters and preschool teachers of my own and my friends. You are well served by her employment.*

*Thanks and thanks again for the great space. Love the addition of the under 3 bouncy house - my girls went nuts for it. Good luck and continued success,*

Hello,

*We just had our daughter's 3rd birthday party at your playground this morning. All the kids had a wonderful time and my daughter, wife and I enjoyed ourselves so much... It was truly a special day. Spectacular attitudes and rapid, intelligent dedication from Ivania and Sofia. I would recommend Amy's to any parent of a kid who loves to play.*
