Dear Amy:

*Just want to thank you so much for your attentive customer service; it is not easy to organize a party long distance but thanx to you it was possible and it all turned out so well.*

*We had such a great time at your place not to mention my little on who didn't want to leave at the end of his party. I certainly wish we could have made it in before so he can enjoy the place a bit more, but without a doubt we will be in on our next trip in December and all the trips thereafter; I absolutely loved your place.*

*I also want to give you a special thanx for having this space and for keeping it so clean and safe for the kids. I felt great just letting my little one run around by himself without having to worry about him. As one of my girlfriends said "it is a kids heaven (and for us as well).*

*Once again, thank you so much for everything Amy!*

*Sincerely,  
- Lizette and Adrian*

*Thank you to Jenny and Linda who were so efficient at set-up and clean-up. They made my life so much easier and I was actually able to enjoy the party and have fun in the bouncer with the kids!*

*I received so many good comments from the parents and some are interested in holding their own childrens birthday parties there in the future!*

*Thank you again!

Dear Amy,

*I just wanted to thank you and all of your staff for making Freddie's 2nd birthday party so special last weekend. You couldn't have made it easier for us and I was so impressed with the way everything was handled on every level. In particular, I'd like to thank Sophia and the other party assistant for looking after us on the day. She was so friendly and helpful and did a great job in keeping the party moving along. Freddie had a wonderful time and I know he can't wait to come back!*

*Kind regards,

Hi Amy,

*Just wanted to thank you for a wonderful birthday party. The staff was amazing. They made it so easy. They were both very friendly & accommodating to our needs. I especially appreciated it when they packed our car with the gifts and the food. No other place has ever done that! So thank you for everything!!*
